Lance D'Amico is our Chief Legal Officer. He met with the mayor several weeks ago so the mayor probably reached out to him directly. Mr. Harvey is with Bose Communications, I believe from Indianapolis. They have been assisting with understanding the local impact and news outlets.

I am in meetings this afternoon and will not be free for awhile. I'm assuming that a decision has been made to have Mr. Harvey represent Amphenol at this meeting. I can verify this.

So, the mayor's PR person, Tara Payne, just told me that they have invited Amphenol and that Roger Harvey, Communications Specialist, from Indy is attending on Tuesday. Also said that they usually talk with Lance D'Amaico of Amphenol (?).

These are new names for me.

They seemed open to Brad attending.

Can you please give me a call to help sort through this?

I just left you messages on land and cell lines.

Thanks.

Carolyn

No, I never received an official invite, he mentioned it the other day while I was in the field and said that he was going to reach out to Amphenol legal regarding the upcoming meeting.

Sampling dates are as follows:

Ex. 6 Personal Privacy (PP)	10/25/18
	10/26/18
	10/25/18

Yes, I believe I have already sent you the validated reports for the soil gas and sewer manhole samples but I am attaching them to this email again for quick reference.

Also, as an FYI, I am scheduled to be out of the office on Monday so please contact me today if you need anything else.

Thanks, Brad.

Can you please let me know the sample dates for these homes?:

Ex. 6 Personal Privacy (PP)

Also, did you send us the validated data for the soil and sewer gas samples?

Thanks.
